Dear Sir/Madam,

Re: Proposed Solar PV Development at Fawsley Estate, Daventry, NN11 3BA - Public Exhibition

We cordially invite you to join us at a public exhibition to be held in Badby Village Hall, The Green, Daventry NN11 3AF, between 3 pm - 7 pm on Tuesday the 6th of September 2022, to discuss a planning proposal for a 12MW free-standing solar installation (or 'solar farm' as they are more commonly known), to be located at Fawsley Estate, Daventry, NN11 3BA.

On the day, an exhibition of the proposals will be on display and members of the project team will be present to discuss the development and answer any questions or queries that you may have. This represents an opportunity for all parties to actively engage, comment and shape the evolution of this project.

The proposal will contribute to local, regional and national energy-generation targets in a clean and resourceful manner and has the capacity to generate enough renewable energy to power approximately 4,600 houses annually.

Further project details, including site location, project overview and a description of the physical elements of the development are provided in the information leaflet enclosed with this letter. Additionally, a project questionnaire has been provided to facilitate feedback via post, to return to the address at the top of this letter, if it is not possible for you to attend the consultation event.

A dedicated project website has been created to share information and to facilitate online feedback and comments via a digital version of the enclosed questionnaire. The website will go live on 24th August 2022 and the online feedback facility contained therein will be available until 7th September 2022. The project website can be accessed at:

<http://fawsleysolar.co.uk/>

We hope you are able to support our event and look forward to meeting you on the afternoon and evening of Tuesday the 6th of September 2022. Should you wish to contact us directly or if you are unable to attend on the night and wish to discuss the proposals, then please do not hesitate to do so. Our contact details are available at the top of this correspondence.

Please be advised that taking part in this process does not affect your statutory rights to make representations to the Planning Department in West Northamptonshire Council (Daventry) in respect of the application when submitted.

Yours faithfully,

Ludovica Zurzolo
Development Manager
